Delayed launch of PEGAS JKM LNG cash-settled contracts

14 February 2018

Dear Members,

The introduction of PEGAS cash-settled futures based on the Platts assessment for the Japan/Korea Marker (JKM®), initially planned for 19 February 2019, **will be delayed to 21 May 2019**.

These new products will be available via STP trade registration (Trayport Clearing Link and EQUIAS eXRP) at Powernext and subsequent clearing by ECC.

The LNG contracts will be listed within the PEGAS Regulated Market rulebook of Powernext Derivatives.

Admission process

PEGAS members can request to be setup for registration of LNG products at Powernext by sending an E-Mail to ECC (memberreadiness@ecc.de, CC: membership@powernext.com). They will then receive the F04 form to register their LNG traders at Powernext.

Non PEGAS members will have to fill-in the standard admission package, available upon request to Powernext Membership (membership@powernext.com).

To be setup for go live, all requests must be sent by **30 April 2019**.

Yours sincerely,
