

EEX GAS: Reminders on the Upcoming Technical Changes

Dear trading participants,

We would like to kindly remind you of the following upcoming changes previously announced in the Customer Information notices of [9th December 2019](#) and [6th February 2020](#), and of [Trayport Market information of 21st February 2020](#).

On Monday 23rd March: names changes

- 1) EEX gas contracts names and venue codes will be changed in Joule Front End:
 - Any instruments which contained the name “PEGAS” will be renamed to contain the name “EEX”.
 - The “PEGAS” venue will be renamed to “EEX”.
 - Any clearing venue names which previously referenced “PEGAS” will be renamed to reference “EEX”.
 - **No instrument or venue IDs will be changed.**

These changes will take effect at around midnight CET on Sunday 22nd March 2020. Users will need to restart their Joule screens and reconnect their API applications to see the changes.

2) Please note also the following changes:

- The exchange name in your trade files*, available on the back-office platform, will be updated: “PWX” will be replaced by “EEX”.
- The MIC will be updated, please see the table in the Customer Information of 6th February.

*Trade files include all your company trades and are regularly updated during the day. The name of the file follows the format: Company shortname_TRADE_GASPOT_20200320.csv

On Sunday 29th March: Daylight Savings Time change

- Clocks will go forward by one hour i.e. clocks are moved forward from 02:00 CET to 03:00 CET.

On Tuesday 31st March: The Hourly products NCL L Elten and NCG L Vreden will be renamed to “NCG L – West” and “NCG L – East”

- A short market suspension from 14:00 to 14:20 CET will be required to implement the technical changes.
- Users of Global Vision Direct Screen will need to restart their client software to see the changes after 14:20 CET.
- Users of Joule Direct will be able to see the changes from around midnight upon restart of their screens.

Please do not hesitate to contact us if you have any questions.

Yours sincerely,

European Energy Exchange AG**Market Operations**
